

Three Words/One Sentence

Directions: For each number below, there are three words related in some way to our investigation of force and motion. Use all three words in one content-correct sentence. It will require a little thinking and writing!

1. position/time/motion

2. force/position/motion

3. balanced/force/motion

4. unbalanced/force/motion

5. distance/time/axis

6. friction/force/motion
